

# **Central Wyoming Groundwater Guardian Team**

**Minutes of Meeting**

**February 8, 2018**

**Meeting was called to order at 12:05pm by Chairman Floyd Field. Members present -Floyd Field, Bruce Pedersen, and Brian Schroeder with Regional Water.**

**Brian made a motion to accept minutes of January 25, 2018 meeting. Floyd seconded. Motion passed.**

**Two of the ten samples came back positive. Floyd will redo a set of those two site samples.**

**Regional Water's HDR source water plan is from North Platte River and wells. A updated plan will be done. The last one was about ten years ago.**

**Three more members are needed for the Data Collection Committee , for a total of seven.**

**A motion HDR needs additional board members for four to five months for study and review of this new study. Three or four would be great. Motion passed.**

**Startup of Emergency generator ran part of plant. Voltage was too low. Will try again February 19, with all who is needed to make the generator to perform up to the specs call for.**

**Regional Report—Water usage is about 5 million gallon per day.**

**Next meeting is March 22, 2018 @ 12:00 pm.**

**Brian made a motion to adjourn, seconded by Floyd @12:55 pm.**

**Respectfully**

**Bruce C. Pedersen**
