

Central Wyoming Groundwater Guardian Team

Minutes of Meeting July 25, 2019

Chairman Floyd Field called the meeting to order at 12:05 pm.

Members Present: Floyd Field, Bruce Pedersen, Mike McDonald with Regional Water, and Margaret Teevens. No guests were present.

Mike made a motion to accept minutes of the April 18, 2019 meeting . Bruce seconded. Motion passed.

Mike will contact Casper College to get an update on the GIS/Natrona County Health Department septic system mapping project.

Well testing continued in the Dempsey Acres area with one bad test location. 10 testing sites were completed for 2019.

Re-coating of the tower tank is in progress and the Wardwell tank repairs are still in progress. Plant – tank painting on hold... the new tank is operational and working well. Plant running 23-24 MGD.

River access has been resolved and the North Platte River restoration has moved to the Mills bridge and falls area.

Election of officers was held and Floyd Field was elected chairman. It was mutually agreed that this would be a lifetime appointment by the other members of the groundwater guardian team.

The next meeting will be September 19, 2019.

Motion to adjourn by Bruce, 2nd by Floyd. Meeting adjourned.

Respectfully,
Margaret A Teevens
Secretary Groundwater Guardians
